

COMPLIANCE IS A HEALTH HAZARD

FEAR = False Evidence Appearing Real! The Australian government, directed by their masters, the parasitic, **globalist** bankster cabal and Big pHARMA, wants to mandate the Gates Covid1984 vax and track you forever. The mainstream media (MSM) are the perpetrators' propaganda arm, and have been lying massively to us about this supposed pandemic since February 2020. **The government will employ extreme coercion.** If you want to avoid being converted into a genetically modified, nano-chipped organism (trans-human) who becomes sick and dies prematurely, you must resist this. **DO NOT GET VAXXED!!!**

Face masks are not about preventing the spread of coronavirus. **They are symbols of** a muzzled, silenced, subservient, self-policing, **controlled population** – that is the reason for them. In addition to diminishing self-respect, **it is well known by real scientists that face masks are bad for your health**, including increasing the risk of respiratory diseases. Mask wearers in a recent US CDC study were twenty times more likely, compared to non-mask wearers, to test positive to the PCR COVID-19 test. **“If you are healthy and wear a face mask, you may not be healthy for long”** [Dr Russell Blaylock, neurosurgeon]. That the Chief Public Health Officer, Police Commissioner and Premier want to mandate their use in South Australia beggars belief.
